ENGINEERED SIMPLICITY™

EASY TO USE

Small Business, Owner-Operated, or Limited Staff?

Hammerhead sweepers **INTUITIVE DESIGN** requires little training to use effectively.

Make sure the battery is charged, close the hood, **TURN THE KEY** to 'on' and off you go!

NO HEAVY LIFTING OR PUSHING REQUIRED TO OPERATE!

EFFICIENT

Although equipped with **DUAL FRONT BRUSHES**, with the easy click of the lever you have the option to use one side or no side brushes.

PRO-TIP: Reduce dust clouds by slowing down the pace & raising both front brushes.

The **ON-BOARD PTFE FILTER** takes care of even the finest particulates. Simply shake out the filter to release into the hopper.

ECONOMICAL

SAVES you & your business **TIME, MONEY & RESOURCES:**

- No need for an expensive commercial cleaning service.
- **LOW PRICE POINT & HIGH QUALITY** sweeper.
- Goes from indoor to outdoor with an easy adjustment of the brushes.

HAMMERHEAD[®]

CLEANING EQUIPMENT COMPANY

Hammerhead[®] is a commercial cleaning equipment company that carries a limited offering of products including walk-behind scrubbers & sweepers, parts and chemical solutions.

We believe that cleanliness allows others to see what you truly have to offer; without distractions.

We just decided to focus on floors.
