# ENGINEERED SIMPLICITY™

## EASY TO USE

From a small parking lot to a large **DISTRIBUTION WAREHOUSE**, the 950MS Sweeper will work for you!

The Hammerhead sweepers **INTUITIVE DESIGN** requires little-to-no training to use effectively. All you do is **PUSH** and it does the rest!

**NO MORE BACK-STRAINING SWEEPING WITH A BROOM!**

## EFFICIENT

Although equipped with **DUAL FRONT BRUSHES**, you have the flexibility to raise one or both side brushes.

**PRO-TIP:** Reduce dust clouds by slowing down the pace & raising both front brushes.

Leaves, **CIGARETTE BUTTS**, trash, pallet chips and more debris are swept up in minutes.

## ECONOMICAL

**SAVES** you & your business **TIME, MONEY & RESOURCES:**

- No need for an expensive commercial cleaning service.
- **LOW PRICE POINT & HIGH QUALITY** sweeper.
- Goes from indoor to outdoor with an easy adjustment of the brushes.

# HAMMERHEAD<sup>®</sup>

CLEANING EQUIPMENT COMPANY

**Hammerhead<sup>®</sup> is a commercial cleaning equipment company that carries a limited offering of products including walk-behind scrubbers & sweepers, parts and chemical solutions.**

We believe that cleanliness allows others to see what you truly have to offer; without distractions.

We just decided to focus on floors.
